GOVERNMENT OF KERALA

GENERAL EDUCATION (P) DEPARTMENT
Thiruvananthapuram, Dated, 11/09/2014

No.13989/P1/14/GEdn.

From
The Secretary to Government

To
The Director of Public Instruction,
Thiruvananthapuram.

All DDE s

Sir,

Sub: - Request for Honorarium to the staff of pre primary section in aided schools -
regarding.

Government are in receipt of large number of petitions from the staff of pre primary section in aided schools requesting to sanction Honorarium to them also. It may be noted that Government have permitted the PTA of only those Government schools where excess accommodation is available and willing to conduct classes at their own expenses to run pre primary classes. This was made with a clear intention to attract more students in the Government schools. **Government have not sanctioned pre primary to any of the aided schools** and has not issued any guidelines regarding the conduct of the same. Also, Government is totally unaware of the conduct of **pre primary** in aided schools. **Hence Government is not liable to pay any Honorarium to the pre primary staff in the aided schools.** If the Manager/PTA of the aided schools, if any, had started pre primary on their own level, without prior sanction and approval of Government, it may be informed that Government is not liable to pay any Honorarium for the pre primary staff of aided schools which started the course on their own level, without consent or approval of Government.

This clarification is issued for the disposal of such petitions and also for information and further necessary action.

Yours faithfully,
P.K.ASSIS
Additional Secretary,
For Secretary to Government.

Approved for issue

Sheela H
Section Officer.
